

If your "dream hunt" is a rifle hunt on a high fenced Central Texas hunting ranch, Lonesome Ridge Ranch is the place for you. We specialize in providing a small number of high quality, premium guided whitetail rifle and bow hunts to discriminating hunters every year.

Lonesome Ridge Ranch consists of **3000** acres of high fenced, carefully managed Central Texas deer country. We are in Eden Texas within easy reach from Houston about 5hrs and Austin about a 3-hour drive.

The Texas Whitetail Deer (MLD) program has evolved over the years and includes year-round supplemental protein feeding and food plots to ensure that our deer have the necessary nutrition to reach their full potential. Coupling this proven nutritional program with a strict management plan which restricts the harvest of our Texas Whitetail Deer and Exotics to only those animals which have reached maturity, enables us to offer truly exceptional Texas Trophy Deer to our hunters.

Hunts are guided and are conducted from various types of ground or tower blinds over corn/protein feeders or food plots or by safari/stalk style. Due to the topography of the Ranch, this is a true Texas hunting experience.

The Ranch supports a large deer herd of both Texas Whitetails and Exotics and hunters can expect to see a large variety of these animals during each hunt session.

Hunters stay, in our comfortable, fully furnished, 4-bedroom, two-bath Lodge with satellite TV and central heat and air. The main house is also available to accommodate larger groups. No more than six hunters are allowed on the Ranch at any one time the total satisfaction and safety of our Hunters is paramount.

We start our day with coffee/juice and a light breakfast and then you and your guide will head to the stand for the morning hunt. Weather and deer movement will dictate a mid-day lunch and siesta or a mid-day hunting session. When the weather is nice you can fill in midday with target shooting or just relaxing. The afternoon hunt will follow with your guide and you hunting until dark. The evenings are typically spent around the ranch with good conversation and an adult beverage.

Spring turkey hunts are our specialty.

All this is waiting for you at Lonesome Ridge Ranch.
